(Through the President)

Sir,

Subject - Semi-grouting with maxphalt of Benkinawab street from Irwin road up to Sawday road.

Adverting to G.O No. L. 10394-6/C M 10-50-13 dated 11th January 1951 sanctioning the estimate of Rs. 6150 approved by the Council, for Rs. 5700/- as corrected by the Deputy Chief Engineer, I write to state that in the estimate sanctioned by the Council the rate for the collection of chips is provided at Rs. 13/- per Cubic yard as per the schedule of rates sanctioned by the Council in the year 1950-51. The rate has been reduced to Rs. 10 per cubic yard by the Deputy Chief Engineer. As the reduced rate is not workable in this city and as the rate of Rs. 13/- per cubic yard has been duly sanctioned by the Municipal Council for this item for the current year, the Council resolved at their meeting held on 31-1-50 to bring this fact to the notice of Government and to request them to sanctio the estimate for Rs. 6150/- as approved by the Municipal Council A copy of the resolution of the council is enclosed herewith for favou of obtaining sanction of Government. The estimate in question is enclosed herewith for favour of reference and return.

Yours faithfully,

Municipal Commissioner.

Forwarded with compliments,

President.
